PKC Top Dogs

By Mary Ellen Brown

Recently, my dog Webster, a standard Long Haired Dachshund, bred by PKC member Ronda Bermke has been busy getting prepared for the role as a 'real live Therapy Dog.' Although not necessarily related to specific therapy work, however helpful, he did complete all three titles; CGC, CGCU and CGCA, proving himself as a real polished community gentleman. He has also trained, tested and qualified for his Therapy Dog registration with Alliance of Therapy Dogs, formerly Therapy Dogs, Inc. Plans for Webster and I are to proudly serve at the Brown County Library, hospice and memory care facilities, Children's Hospital of Milwaukee, and local pediatric wards, crisis centers and the VA Clinic just to mention a few. There is nothing more rewarding than witnessing a non-verbal patient perk up and actually speak because he/she had a pet therapy dog in their midst. Equally as rewarding are those little children who are confined to a bed, whose eyes get as big as saucers when they see a fluffy doggy in their hospital room. There are big expectations of good things to come for our Therapy Dog Team. When you see us at PKC, please ask about our recent travels and experiences! We'd be very happy to share them with you!

CGC @ PKC

A great big thank you to the instructors that helped with the spring session of CGC. **Candee Brey, Wendee Draves, Bree Draves, Cheryl, Ken and Cody Sulewski**. These instructors are incredible with the CGC teams, week in and week out. Thank you!

Another thank you to **Belinda Freeman, Jerry Sulewski, Rob Bermke, Tammie Scheich, and Mary Scott** for helping to test the CGC teams. Without their time and expertise, we couldn't offer the tests! We had great helpers and crowd members of **Candee Brey, Wendee Draves, Bree Draves, Cheryl and Cody Sulewski** with greeter dog "Jazz".

Thanks to ALL!

Spring Agility Trial Equipment Move

The Spring Agility Trial is fast approaching. On we will be moving agility equipment from the Cornerstone Ice Arena. We will only be gray matting. Our new mats will be taken

Thursday, June 2 at 6:00 p.m.
Brown County Fairgrounds to the moving equipment and not the to Cornerstone earlier in the day.

We are in need of volunteers to assist with this move. We will meet at the Brown County Fairgrounds at 6:00 p.m.

In addition, we will need volunteers to move the equipment back to the Brown County Fairgrounds on Sunday, June 5 after the trial is completed. The trial will end around 3:30 p.m.

Please take time to volunteer to help with these moves. The time you spend helping with the moving of equipment will be counted towards your volunteer hours. The more people we have the faster we get done.

Thank you.
