# Upcoming Programs

PKC Outreach has **many** upcoming programs. Please let Ronda know if you are available and willing to participate. Please remember that you need to be a Club member (not a trainee), and your dog needs a current copy of his/her rabies certificate on file with Outreach. Your dog needs to be very friendly with people and other dogs. Ronda will get back to those interested in each program with details regarding where to meet and parking information a few days prior to the event.

### **Pulaski Summer School Program ~ Tuesday, June 26, 8-11 a.m.**

This will be an outdoor demo/program for two summer school sessions.

### **Camp Lloyd ~ Thursday, June 28, 11 a.m.-Noon (on UW-Green Bay Campus)**

This is a day camp for children dealing with grief from the death of a loved one. This program will involve socializing with the dogs to provide compassion and support.

### **Algoma Farmer's Market ~ Sundays, July 8, September 2, October 7, 9 a.m.-Noon**

We will have a table set up within the Farmer's Market to answer general dog questions and be available for socializing. We are looking for well-behaved dogs around crowds and children to spend time at our booth. This event is held outdoors.

### **Childcare in Suamico ~ Wednesday, July 11, 9-10 a.m.**

This will be a demo for school age children followed by socializing.

# PKC Outreach Super Stars

Debbie Austin & "Vincent"

Hello! Vincent and I are new to attending Outreach visits with other PKC members. Vincent and my other dog Ritz were both at Sweet Street last October. Since then, Vincent and I have started visiting schools and healthcare facilities with PKC Outreach members.

Ritz is not one to enjoy visiting with people very much. But she is a good demo dog and has substituted petting for showing off all of her tricks.

Vincent has become an all-around visiting dog - enjoying his demos and leaning against everyone's legs for a good petting. These visits have also been good practice for concentration on his Obedience skills.

Thanks go to Ronda for organizing all of these Outreach visits! And thanks for including us!

- Pinch collars, electric or dummy collars are prohibited. Training collars are allowed.
- The safety of the dogs and handlers is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of the sport and that their dogs are familiar with and able to perform all obstacles safely.

It is expressly understood that exhibitors are responsible for the behavior of themselves, their dogs and their children. ### Cross-Over from Regular to Preferred

Effective January 1, 2013, handlers have the option of showing their dogs in Preferred at the same equivalent level to where their dog is eligible to compete in Regular. Example: A MACH dog is currently showing in Novice Preferred Standard, having earned 2 qualifying legs. Any time after 1/1/13, that dog may start competing directly in Master Preferred Standard. Upon having earned a qualifying leg in the Master Preferred Standard class, their cross-over shall be invoked, and the previous, lower titles do not have to be completed. Once a cross-over has been invoked, the dog may no longer compete in the lower preferred class levels. The handler always has the option of starting their dog at the Novice Preferred level.

### Dogs Eligible to Enter

This trial is open to all dogs over the age of 15 months that are registered with the AKC or that have AKC Limited Registration, are Purebred Alternative Listing/Indefinite Listing Privileges PAL/ILP registered or approved Foundation Stock Service (FSS) breeds, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance. These events are accepting entries for Mixed Breed dogs enrolled in the AKC Canine Partners Program. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

### Height Divisions

Owners are responsible for entering the proper height division. REGULAR CLASSES - Handlers may opt to run in a higher height division, but not in a division lower than their proper jump height. PREFERRED CLASSES - handlers must run their dog in their proper eligible height.

<u>Jump Height Regular Classes</u>	<u>Jump Height Preferred Classes</u>	<u>Height at Withers</u>
8 inches	4 inches	11" and under
12 inches	8 inches	14" and under
16 inches	12 inches	18" and under
20 inches	16 inches	22" and under
24 inches	20 inches	Over 22' -

*Dogs may NOT be entered in this height if they are 22 inches and under*

#### **24 inch Choice**

*Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24 Choice*

### Measuring & Height Card Information

When filling out the entry form, there is a section of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that a copy of your dog's jump height card be submitted with an entry form or show it at check-in; although exhibitors are required to have the official form/card with them at the trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. **Regulations for Agility Trials, Chapter 2, Section 4.**

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice **height division** for all **Regular** tiling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the judge of record, that measurement will be valid for this trial or *back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the **AKC Canine Partners Program<sup>SM</sup>** may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

**Junior Handlers** should enter their Junior Handler Number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
