Packerland Kennel Club, Inc. Rules

Leashes: Retractable leads are not permitted on the test site. Exercise your dog(s) only in posted areas and clean up after them.

Exhibitors must always exercise control over their children while on the event grounds. No private gasoline or diesel generators are permitted inside of any building or within 100 feet of any tent or the test run.

Assumption of Risk: By entering this event, exhibitors certify that they have read and understand and agree to the Agreement that is a part of the entry form. The Club assumes no responsibility for any loss, damage or injury sustained by exhibitors. Neither the Event Committee nor the Club will be responsible for the loss or damage to any dog on the ground, whether, as a result of an accident, or any other cause. It is clearly understood that every dog entered in the event is in the care, custody and control of its owner or handler during the entire time the dog is on the premises. exhibitors, owners, and agents assume all responsibility for dogs and equipment on the site. (See Agreement on entry form.)

Errors on Entries: Owners are responsible for the accuracy of the information required on the entry forms.

Changes, additions, or corrections to an entry, entry substitutions, or cancellations by the owner must be received in writing (email accepted) by the Event Secretary prior to the closing date of the test. Other means of notification will not be accepted.

Conduct: It is expressly understood that all owners/agents/handlers are solely responsible for the behavior of their dogs and/or children. Any person(s) whose dog and/or children create unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the test site. In such case no refund of any fees/monies paid will be made. All Owners/agents/exhibitors and other persons attending these events hereby waive any claim against the Club or its agents, or any losses, damages, or injuries affecting self, dog, children, or personal property.

Leashes/Crates: All dogs must be held on a leash or confined to a crate except when competing. Dogs must be on a leash when being exercised. Dogs must be removed from the test grounds immediately following the end of the test. Please be respectful.

Dogs in Vehicles: The Club reserve the right to remove any dog that appears, in the opinion of any member of the Event Committees, to be in distress in a parked vehicle or in a crate.

Cleanup: Please keep the grounds clean by picking up after yourself and your dog. Dispose of “poop” bags in the provided trash containers. Please keep your crating area, the test site, grounds, and fair grounds clean so we may continue to be welcomed at these facilities.

Warm-ups and training should be conducted in a sportsman-like manner to your dog, other dogs, and competitors.

Inspections: Please line up by the cones. Move up accordingly. Female dogs: Handler will pull either a Napkin/Kleenex from dispenser provided, swipe dog in front of inspector and show results to the inspector. Handler should throw tissue away in the garbage can provided. Gait will then be checked by inspector for all dogs.

Vaccinations: Exhibitors should follow their veterinarians’ recommendation to assure their dogs are free of internal and external parasites, communicable diseases, and have appropriate vaccinations.

Basic Information About AKC Fast Cat

- 1) Fast CAT Test is a timed straight 100-yard dash for dogs. It is meant to be a fun and healthy activity of interest to any dog owner.
- 2) Dogs run singularly.

How are Fast CAT Points and Titles Awarded?

- 1) The dog’s time to complete the 100-yard dash is converted into miles per hour (MPH).
- 2) A handicap system is applied to a dog’s MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers.
 - a) 18 inches or greater = handicap of 1.0
 - b) 12 inches to less than 18 inches = handicap of 1.5
 - c) Below 12 inches = handicap of 2.0
- 3) Points = MPH multiplied by the dog’s handicap
- 4) Fast CAT titles are suffix titles earned at designated milestones.

BCAT = 150 points	DCAT = 500 points	FCAT = 1,000 points
FCAT2 = 1,500 points	FCAT# = every additional 500 points	
- 5) The top 20 fastest dogs by breed are published on the AKC website. (https://www.apps.akc.org/apps/fastcat_ranking/)

Course and Equipment

1. **Safety:** Safety is of utmost importance. It is the responsibility of the event committee to ensure the safety of the course, equipment and conduct of those involved with the event. It is recommended that the event committee run a test dog prior to the start of the event to ensure that the equipment functions properly and all personnel understand their jobs.
2. **The Finish:** The Clubs must provide enough room for a safe run-out area and will attempt to use a minimum of 30 yards. It is required that an owner or someone familiar with the dog be at the finish to catch the dog once the course is completed. The Clubs will attempt to provide assistance at the end of the course to collect the dogs if the owner requests it.

3. **Timing Devices:** The Clubs will use electronic timers. The time to complete the 100-yard dash is recorded to the nearest 1/100th of a second. The time starts when any part of the dog breaks the electronic beam at the start line. The time stops when any part of the dog crosses the finish line. Stop watches will be used as a backup if the electronic timers don't function.
4. **Lure Equipment:** The Club uses a drag line system.
5. **Lure:** A white plastic bag or a squawker may be used for the lure.
6. The **Huntmaster** has control of the course. The Huntmaster is in charge of all dogs and handlers on the field, shall ensure handlers understand safe release and retrieval procedures, shall ensure the lure is properly positioned, shall ensure the lure operator, timers and starting line signal person are ready, shall signal the lure operator to start the lure and shall give the verbal signal "tallyho" to release the dog.

General

1. All entries must be one year of age or older on the day of the test or trial.
2. Dogs not present by the end of the test will be scratched.
3. Each entry will be examined at inspection. Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the inspection committee, any entry found to be lame, unfit to compete or a female in season shall not be allowed to enter and entry fees shall be refunded.
4. Dogs will be inspected before each Event.
5. Run order will be based on order set by the field committee. We will separate the running of multiple dogs handled by a single handler. If a dog is late for their run time they will run at the end of the running order.
6. Dogs may wear any collar except a choker collar, a collar with prongs or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. Owners should be aware that there is a chance that tags hanging from the collar could become entangled on something during the run. Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.
7. Drag line system will be used. Lure is a white plastic bag or a squawker.
8. The field committee reserves the right to bar known aggressive dogs from the event site.
9. There will be a \$5 fine assessed for any loose dog not taking part in the course in progress, or for anybody caught not picking up after their dog or leaving garbage on the field.
10. No one will be allowed on the field without the express permission of the Event Chairperson, except the appointed field committee.
11. Anybody exhibiting unsportsmanlike behavior will be excused from the field and may be subject to further disciplinary action.
12. Control of dogs will be strictly enforced. Dogs must remain on leash at all times, except when running.
13. Clean up and carry out all trash. Please pick up after your dog and put in receptacles provided at site.
